How will an Exchange bring down cost?

A Good Exchange will:

- **Negotiate on behalf of individuals and small businesses**
 - Pool together to bargain for cheaper premiums/better plans
 - Give us the same bargaining power as big business

Who will run the exchange?

A Good Exchange will have:

- **Qualified pro-consumer governing board**

- Consumer representation to ensure exchange is in our best interest
- Free of conflict from insurance industry and insurance salespeople
- People with real experience and knowledge, not just political appointees

How will the Exchange make purchasing insurance easier?

A Good Exchange will:

▪ Create a consumer friendly experience

- Reduce paperwork for individuals & small businesses
- Adopt a “no wrong door” approach
- Use easy to understand language
- Ensure cultural competency

How will the Exchange ensure there are no gaps in health care coverage?

A Good Exchange will ensure:

- **Seamless enrollment in Medicaid & NJ FamilyCare**

- Acknowledge people's life situations change
 - Lose jobs, get promotions, have children
- Exchange will communicate electronically with Medicaid & NJ FamilyCare
- Insurers that participate in Medicaid must also offer plans in the Exchange
- Consumers have option to buy Medicaid

How can we protect the Exchange?

A Good Exchange will:

▪Protect against cherry picking

- Prevent insurance companies from segregating people by health status
 - ie. only sick people in exchange, healthy people out
- Same rules apply to plans in and out of the Exchange
- Ensure fairness for all consumers

It's All About Choices

NJ must establish an Exchange or the federal government will do it for us.

But...it's up to us to make sure it is a GOOD exchange

Do you want your exchange to:

1. Negotiate on behalf of individuals and small businesses?
2. Ensure a qualified pro-consumer governing board?
3. Create a consumer friendly experience?
4. Provide seamless enrollment in Medicaid & NJ FamilyCare?
5. Protect against cherry picking?

How can we make a good exchange a reality in NJ?

- Educate, educate, educate!
 - Public
 - Media
 - Policy Makers
- Timeline
 - NJ needs a plan by January 1, 2013
 - A NJ Exchange must be up and running by January 1, 2014
 - NJ Assembly has passed a bill A1930
 - Anticipated that the NJ Senate will move a bill this fall
- Get involved!
